Explanations of the mass query result

The query response attributes are comma-separated in the file. The possible variants are the following:

Feature	Explanation
PERSONAL CODE	Personal code specified in the input file.
OK or error description	<p>OK – if the person has joined pillar II or is required to join by age.</p> <p>Error descriptions - "The person has not joined the pillar II" or "The personal code is not correct!"</p>
DD/MM/YYYY	Date of Joining – displays either on the basis of the submitted "Choice application" or by the year of birth.
DD/MM/YYYY or empty	The beginning of the payment obligation - displays either on the basis of the submitted "Choice application" or by the year of birth.
T or M or empty	<p>A person's valid payment obligation.</p> <p>T – the payment obligation is "making", i.e. the person is obliged to make pillar II contributions.</p> <p>M – the payment obligation is "not making", i.e. the person's obligation to make pillar II contributions has ended.</p>
DD/MM/YYYY or empty	Date of end of payment obligation - displays either based on application for withdrawal of money or "Application for exemption from making the payment".
T or M or empty	The person's next payment obligation.

Feature	Explanation
	<p>T – the payment obligation is "making", i.e. the person is obliged to make pillar II contributions.</p> <p>M – the payment obligation is "not making", i.e. the person's obligation to make pillar II contributions has ended.</p>
2 or 4 or 6	The person's current pillar II payment rate percentage.
2 or 4 or 6 or empty	<p>The person's next pillar II payment rate percentage.</p> <p>NB! It will only be displayed in the December inquiries if the new payment rate, which will take effect from the beginning of the following year, is known (the period for submitting payment rate applications lasts until November).</p>
J or E	<p>J – the person submitted the "Application for making the payment" in 2009 and continued payments in 2010.</p> <p>E – the person did not submit the "Application for making the payment" in 2009 and did not continue payments in 2010.</p>
J or E	<p>J – the person submitted the "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 3%.</p> <p>E – the person did not submit a "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 2%.</p>
J or E	J – the person submitted the "Application for Suspension of Payments" in October 2020, and his 2% payments were suspended for the period 01.12.2020 - 31.08.2021.

Feature	Explanation
	E – the person did not submit the "Application for suspension of payments" in October 2020, and his 2% payments continued in the period 01.12.2020 - 31.12.2020.
A or S or empty	A – the person's pension account is open. S – the person's pension account is closed.
DD/MM/YYYY või empty	Date of closing the pension account.

Query examples

2.1 Example 1: the person makes pillar II contributions

Customer description:

The person has an open pension account, he/she is obliged to make pillar II contributions from 01.07.2002, and his contribution rate is 2%.

Query response:

ISIKUKOOD,OK,01/07/2002,01/07/2002,T,,,2,,J,E,E,A,

Explanation:

OK – the person has joined the pillar II;

01/07/2002 – date of joining;

01/07/2002 – the beginning of the payment obligation;

T – the person is obliged to make pillar II contributions;

,, – the end date of the payment obligation and the next payment obligation are missing;

2 – the person's valid payment rate is 2%;

, – there is no next payment rate;

J – the person submitted the "Application for making the payment" in 2009 and continued payments in 2010;

E – the person did not submit a "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 2%;

E – the person did not submit the "Application for suspension of payments" in October 2020, and his 2% payments continued in the period 01.12.2020 - 31.12.2020;

A – the pension account is opened;

, – there is no date for closing the pension account.

2.2 Example 2: the person has stopped making pillar II contributions

Customer description:

The person has received a payment from pillar II, and his/her obligation to make contributions to pillar II ended on 01.09.2021.

Query response:
ISIKUKOOD,OK,01/01/2009,01/09/2021,M,,,2,,E,J,J,A,
Explanation:

OK – the person has joined the pillar II;

01/01/2009 – date of joining;

01/09/2021 – the beginning of the payment obligation (in this case, the end of pillar II contributions);

M – the person's obligation to make pillar II contributions has ended;

,, – the end date of the payment obligation and the next payment obligation are missing;

2 – the person's valid payment rate is 2%;

, – there is no next payment rate;

E – the person did not submit the "Application for making the payment" in 2009 and did not continue payments in 2010;

J – the person submitted the "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 3%;

J – the person submitted the "Application for Suspension of Payments" in October 2020, and his 2% payments were suspended for the period 01.12.2020 - 31.08.2021;

A – the pension account is opened;

, – there is no date for closing the pension account.

2.3 Example 3: the young person has inherited the units

Customer description:

The person has opened a pillar II pension account with a choice application, because he/she has inherited units of a bequeather.

Query response:
ISIKUKOOD,OK,01/01/2027,,,,,2,,E,E,E,A,
Explanation:

OK – the person has joined the pillar II;

01/01/2027 – the joining date is in the future, as the person is not yet obliged to make pillar II contributions according to the year of birth;

,,,, – payment obligation start date, current payment obligation, payment obligation end date and next payment obligation missing;

2 – the person's default payment rate from the date of beginning of the payment obligation would

be 2%;
 , – there is no next payment rate;
 E – the person did not submit the "Application for making the payment" in 2009 and did not continue payments in 2010;
 E – the person did not submit a "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 2%;
 E – the person did not submit the "Application for suspension of payments" in October 2020, and his 2% payments continued in the period 01.12.2020 - 31.12.2020;
 A – the pension account is opened;
 , – there is no date for closing the pension account.

2.4 Example 4: the pension account is not opened

Customer description:

The person has not opened a pension account, but according to the year of birth, he is obliged to join the II pillar from 01.01.2021.

Query response:

ISIKUKOOD,OK,01/01/2021,,,,,2,,E,E,E,,

Explanation:

OK – the person has joined the pillar II;
 01/01/2021 – according to the year of birth, the person is obliged to join the pillar II from 01.01.2021;
 ,,,, – payment obligation start date, current payment obligation, payment obligation end date and next payment obligation missing;
 2 – the person's valid payment rate is 2%;
 , – there is no next payment rate;
 E – the person did not submit the "Application for making the payment" in 2009 and did not continue payments in 2010;
 E – the person did not submit a "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 2%;
 E – the person did not submit the "Application for suspension of payments" in October 2020, and his 2% payments continued in the period 01.12.2020 - 31.12.2020;
 , – the pension account has not been opened;
 , – there is no date for closing the pension account.

2.5 Example 5: the pension account is opened with the III pillar selection application

Customer description:

The person has opened a pension account because of the pillar III - the person has submitted a choice application for the pillar III. According to the year of birth, the beginning of the pillar II payment obligation is 01.01.2022, but the person has not yet submitted a pillar II choice application or no pillar II contributions have been made to his pension account and therefore the fund has not been drawn.

Query response:

ISIKUKOOD,OK,01/01/2022, ,,,,2,,E,E,E,A,

Explanation:

OK – the person has joined the pillar II;

01/01/2022 – according to the year of birth, the person is obliged to join the pillar II from 01.01.2022;

,,,, – payment obligation start date, current payment obligation, payment obligation end date and next payment obligation missing;

2 – the person's valid payment rate is 2%;

, – there is no next payment rate;

E – the person did not submit the "Application for making the payment" in 2009 and did not continue payments in 2010;

E – the person did not submit a "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 2%;

E – the person did not submit the "Application for suspension of payments" in October 2020, and his 2% payments continued in the period 01.12.2020 - 31.12.2020;

A – the pension account is opened;

, – there is no date for closing the pension account.

2.6 Example 6: the person's pension account is closed

Customer description:

The person's pension account is closed, because the pension account was originally opened based on the pillar II contribution received from the Tax and Customs Board.

Query response:

ISIKUKOOD,OK,01/01/2011,01/01/2011,T,,,2,,E,E,E,S,29/04/2011

Explanation:

OK – the person has joined the pillar II;

01/01/2011 – date of joining;

01/01/2011 – the beginning of the payment obligation;

T – the person would be obliged to make pillar II contributions (since the account is closed, there is no obligation);

,, – the end date of the payment obligation and the next payment obligation are missing;

2 – the person's valid payment rate is 2%;

, – there is no next payment rate;

E – the person did not submit the "Application for making the payment" in 2009 and did not continue payments in 2010;

E – the person did not submit a "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 2%;

E – the person did not submit the "Application for suspension of payments" in October 2020, and his 2% payments continued in the period 01.12.2020 - 31.12.2020;

S – the pension account is closed;

29/04/2011 – the date of closing the pension account.

2.7 Example 7: the person does not have a pension account and is not obliged to join

Customer description:

The person has not opened a pension account, and according to the year of birth, he is not obliged to join the pillar II.

Query response:

ISIKUKOOD,Isik ei ole liitunud 2. sambaga

Explanation:

The person has not joined pillar 2 - error description.

2.8 Example 8: the person has an upcoming payment obligation

Customer description:

The person has submitted an application for withdrawal or suspension of payments, therefore his pillar II contributions will end. The new payment obligation has not yet entered into force. The

person's contributions end from 01.09.2024, and the new payment obligation from this date is "not making".

Query response:

ISIKUKOOD,OK,01/07/2002,01/07/2002,T,30/08/2024,M,2,,J,E,E,A,

Explanation:

OK – the person has joined the pillar II;

01/07/2002 – date of joining;

01/07/2002 – the beginning of the payment obligation;

T – the person is obliged to make pillar II contributions;

30/08/2024 – the end date of the payment obligation;

M – next payment obligation (not making);

2 – the person's valid payment rate is 2%;

, – there is no next payment rate;

J – the person submitted the "Application for making the payment" in 2009 and continued payments in 2010;

E – the person did not submit a "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 2%;

E – the person did not submit the "Application for suspension of payments" in October 2020, and his 2% payments continued in the period 01.12.2020 - 31.12.2020;

A – the pension account is opened;

, – there is no date for closing the pension account.

2.9 Example 9: the person has the next payment rate of 4% pending

Customer description:

The person has submitted an application to change the contribution rate of pillar II, with which he wants to increase the contributions from 2% to 4%.

NB! The next payment rate is only visible in inquiries made in December.

Query response:

ISIKUKOOD,OK,01/01/2006,01/01/2006,T,,,2,4,J,J,J,A,

Explanation:

OK – the person has joined the pillar II;

01/07/2006 – date of joining;

01/07/2006 – the beginning of the payment obligation;

T – the person is obliged to make pillar II contributions;
 ,, – the end date of the payment obligation and the next payment obligation are missing;
 2 – the person's valid payment rate is 2%;
 4 – the person's next payment rate is 4%;
 J – the person submitted the "Application for making the payment" in 2009 and continued payments in 2010;
 J – the person submitted the "Application to increase the payment rate" in 2013, and in 2014-2017 the person's payment rate was 3%;
 J – the person submitted the "Application for Suspension of Payments" in October 2020, and his 2% payments were suspended for the period 01.12.2020 - 31.08.2021;
 A – the pension account is opened;
 , – there is no date for closing the pension account.

2.10 Example 10: the person has the next payment rate of 6% pending

Customer description:

The person has submitted an application to change the contribution rate of pillar II, with which he wants to increase the contributions from 2% to 6%.

NB! The next payment rate is only visible in inquiries made in December.

Query response:

ISIKUKOOD,OK,01/01/2009,01/01/2009,T,,,2,6,E,J,J,A,

Explanation:

OK – the person has joined the pillar II;
 01/07/2009 – date of joining;
 01/07/2009 – the beginning of the payment obligation;
 T – the person is obliged to make pillar II contributions;
 ,, – the end date of the payment obligation and the next payment obligation are missing;
 2 – the person's valid payment rate is 2%;
 6 – the person's next payment rate is 6%;
 E – the person did not submit the "Application for making the payment" in 2009 and did not continue payments in 2010;
 J – the person submitted the "Application to increase the payment rate" in 2013, and in 2014-2017

the person's payment rate was 3%;
 J – the person submitted the "Application for Suspension of Payments" in October 2020, and his
 2% payments were suspended for the period 01.12.2020 - 31.08.2021;
 A – the pension account is opened;
 , – there is no date for closing the pension account.

2.11 Example 11: the person's current payment rate is 4%

Customer description:

The person has submitted an application to change the II pillar contribution rate in the period until November, a new calendar year has started, and the higher rate of 4% is valid.

NB! Possible from 2025.

Query response:

ISIKUKOOD,OK,01/01/2021,01/01/2021,T,,,4,,J,E,E,A,

Explanation:

OK – the person has joined the pillar II;
